The Hawthorns is a spacious semi-detached family home occupying an enviable position on an established plot of approximately 0.6 acres, set in a peaceful and private location, with far-reaching rural views across open countryside to the rear.

Offered for sale for the first time in over 45 years, the property presents an excellent opportunity for a new owner to modernise and restore throughout, creating a home tailored to their own requirements and specification. We believe there is also scope to extend the current footprint, subject to the necessary planning permissions.

The versatile and well proportioned interior comprises an entrance hallway with cloakroom, three principle reception rooms, a kitchen with separate utility. There are four bedrooms and a family bathroom on the first floor.

Outside, the established gardens extend to the front and side of the property extending to approximately 0.3 acres, with a broad frontage and delightful open views across adjoining farmland to the rear. A separate wooded copse, adjoining the gardens, extends to a further 0.27 acres, enhancing the property's sense of space and privacy, in a semi rural setting.

To the front, a driveway provides ample parking and turning space and leads to an attached double garage.
