A four-bedroom family home in a quiet cul-de-sac, with a south-facing garden and fabulous open views straight across Marple Golf Course.

There's a LOT to like about this extended home. It offers a practical family layout, a beautifully updated bathroom and one of its biggest assets is undoubtedly the position – with the principal bedroom, kitchen, dining room and the beautiful garden all enjoying that wonderful open outlook at the rear. Though much improved by the current owners, there's still further potential to update and put your own stamp on it.
