TURNERS

Full Description

A superb five-bedroom 1930s semi-detached family home, recently refurbished to a high standard and offering spacious, well-planned accommodation arranged over three floors.

The ground floor features an impressive front reception room with a large bay window, creating a bright and inviting living space. To the rear, the original reception room and kitchen have been opened up to create a fantastic kitchen/dining/family room, with sliding doors overlooking and providing direct access to the garden. This is a wonderful family space and ideal for both everyday living and entertaining. The ground floor also benefits from a separate laundry/utility room and downstairs WC.

On the first floor are two generous bedrooms, together with a study which could comfortably be used as a fifth bedroom. There is also a spacious family bathroom complete with a separate shower.

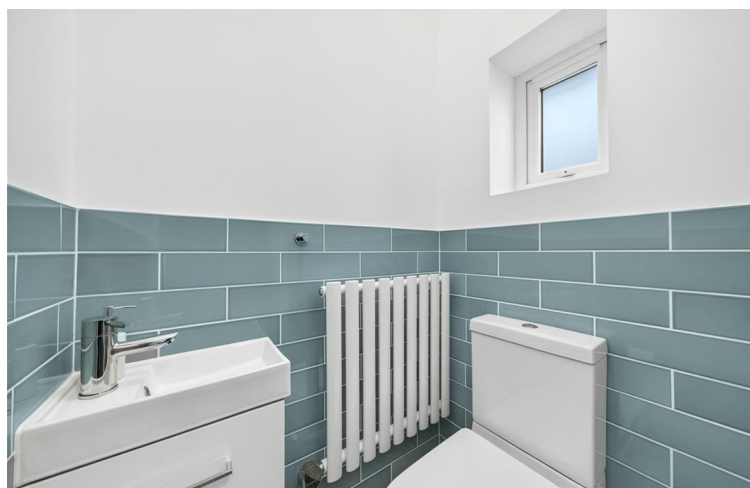

The second floor provides two further bedrooms and a modern shower room, making the layout particularly well suited to a growing family.

Outside, the property enjoys a lovely rear garden with a decked seating area, providing an excellent space for outdoor dining and entertaining.

Morton Road is situated within the Ravensbury area of Morden, just off Wandle Road. Morden town centre and Underground station are approximately a 20-minute walk away, with regular bus services available from the end of the road.

Morden Hall Park is also within easy walking distance, offering extensive green open spaces, riverside walks and plenty of opportunities for families, cyclists, joggers and dog walkers.

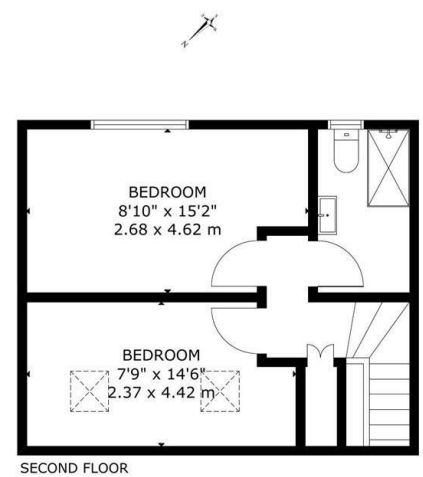

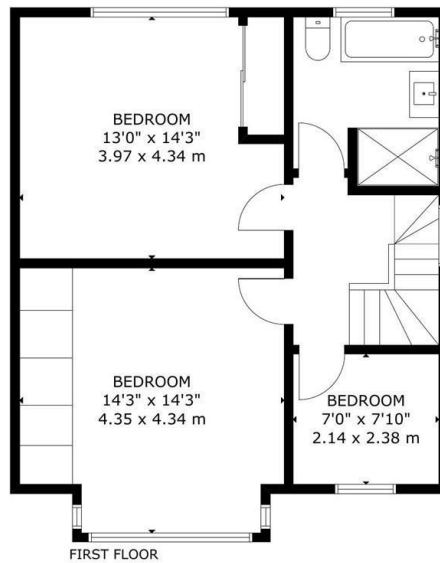

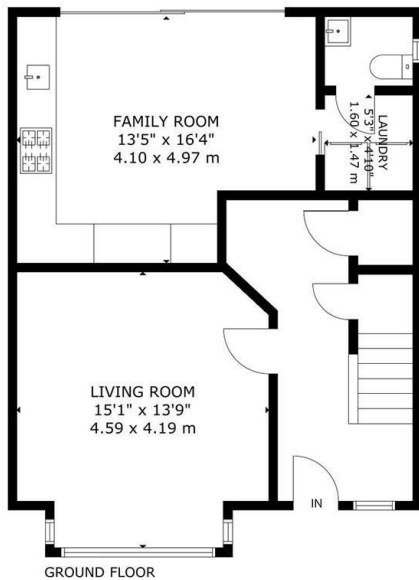

Morton Road itself is an attractive, tree-lined residential street, predominantly made up of semi-detached family homes in a variety of architectural styles.
