

108 EAST STREET, CORFE CASTLE
£275,000 Freehold

This Grade II Listed cottage is situated in the historic village of Corfe Castle approximately one third of a mile from the Square and Castle ruins. It is thought to date back to 1720 and is of Purbeck stone construction under a stone tiled roof.

Whilst in need of complete refurbishment throughout, 108 East Street offers a rare opportunity to acquire a character stone cottage in the village, adjoining Corfe Common at the rear. It has the considerable advantage of views across Corfe Common and the castle ruins in the distance from the upper floors.

The quintessential village of Corfe Castle lies at the centre of the Isle of Purbeck and sits to the West of the seaside resort of Swanage (5 miles distant) with its fine, safe, sandy beach and the market town of Wareham a similar distance, which has main line rail links to London Waterloo (approx 2.5 hours). Much of the area surrounding the village is classified as being of Outstanding Natural Beauty incorporating the Jurassic Coast, part of the World Heritage Coastline.
