“Welcome”

Beautiful homes built for modern living

We know how important your home is to you, that's why we've designed Curo Create, allowing you to choose your finishing touches to make your perfect house become your perfect home. Reserving a new home is an exciting process and our sales team will be on hand every step of the way.

Here is what our customers say –

“It was a chance to get creative and really put our own stamp on our new property. The team were great and the show home added extra inspiration.”

Sophie and Sam

“We were spoilt for choice! My husband was really impressed with the technical pack, the sales team were really helpful and made the experience so enjoyable.”

Rebecca and Jake

Your Sales Negotiator will tell you the options available to you at each stage. We have a range of stylish options and extras that you can have installed and ready to use from the day you move in. We understand that everyone has their own style and will want to create a unique home personalised to your individual tastes.

A modern bedroom interior. In the foreground, a bed is covered with a blue textured blanket and a white sheet with a light blue stripe. To the left, a window with a white frame is decorated with several circular, patterned objects. A brown leather armchair with a grey cushion sits near the window. A large, glowing circular pendant light hangs from the ceiling. In the background, a glass partition reveals another bedroom area with a bed and a lamp.
