GUIDE PRICE
£650,000

This impressive and generously proportioned five-bedroom detached family home extends to approximately 2,750 sq ft of well-planned accommodation, complemented by a detached garage and attractive gardens. Originally dating from the 1930s, the property has been thoughtfully extended and comprehensively modernised, successfully combining its period origins with contemporary finishes suited to modern living.

The accommodation spans across three floors and offers an excellent balance of open-plan and more traditional living spaces. At the heart of the home is a superb open plan kitchen/ dining/ living room designed for everyday living and entertaining, while additional reception rooms provide flexibility for quieter spaces such as a sitting room, study or playroom. The well-proportioned layout continues upstairs with five bedrooms and well-appointed bath and shower rooms, making it particularly well suited to growing families or those requiring adaptable space for guests or home working.

Having been carefully renovated throughout, the property is presented in excellent condition and is offered to the market with no onward chain, presenting a rare opportunity to acquire a spacious and stylish family home in one of Taunton's most desirable residential locations.

The property is entered through a welcoming entrance hall which provides a central point of access to the principal ground floor rooms, together with the staircase rising to the first floor and a conveniently positioned cloakroom/WC. The layout has been designed to provide a natural flow between the living spaces while maintaining clearly defined areas for both everyday living and entertaining.

To the front of the property is a spacious main sitting room offering a comfortable and well-proportioned reception space with ample room for seating. Positioned opposite the hall is a second reception room which provides a flexible space ideally suited as a snug, family room or playroom depending on individual needs. Adjoining this is a separate home office, creating an ideal work-from-home environment away from the main living areas.

To the rear of the house lies the impressive open-plan kitchen and dining room, extending to over 30 feet in length and forming the natural heart of the home. This generous space comfortably accommodates a large dining table alongside a central island, making it particularly well suited to family life and entertaining. The room benefits from good natural light and offers an excellent connection to the garden. Leading from the kitchen is a practical utility room which provides additional storage and laundry facilities, together with useful side access to the exterior of the property. Internal access is also provided to the garage, which offers excellent storage or secure parking.

The first floor is arranged around a central landing and provides three well-proportioned bedrooms. The principal bedroom benefits from its own private en-suite bathroom, creating a comfortable and secluded main bedroom suite. Two further bedrooms are located on this level, including Bedroom Two, a generous double room, and Bedroom Three. These bedrooms are served by a well-appointed family bathroom accessed from the landing.

The second floor provides two further bedrooms, making the property particularly well suited to larger families or those seeking additional guest accommodation. A further bathroom serves this level, while cleverly designed storage areas within the eaves provide practical additional space where head height is restricted.

A side pathway provides convenient access through to the rear garden, which is a mix of lawn and patio to offer maximum use.
