

2 MATCHCROFT

EAU WITHINGTON, HEREFORD HR1 3NH

Asking Price £150,000
FREEHOLD

2 Matchcroft offers an exciting opportunity for purchasers looking to take on a renovation project and create a home to their own specification. The property requires comprehensive modernisation and finishing throughout; however, a number of significant works have already been undertaken, including a new roof, new BioDisc drainage system and rewiring, with the electrical installation requiring completion. Offering three-bedroom accommodation, a good-sized garden and scope to create additional off-road parking, the property has plenty of potential to become an attractive family home.

Ground Floor

The property is approached via an entrance porch, with a further door opening into the entrance hall. From here, stairs rise to the first floor, with access to the ground-floor bathroom and the main living accommodation.

The lounge/dining room provides the principal reception space, with a double-glazed window to the front aspect and an opening through to the kitchen, creating the potential for a sociable and more open-plan living arrangement as part of the renovation.

The kitchen area provides access to a rear porch, together with a useful storage cupboard and a further door leading back into the ground-floor bathroom.

First Floor

From the landing, doors provide access to three bedrooms and a separate toilet/shower room.

The bedrooms comprise one positioned to the rear with a double built-in wardrobe; a front-facing bedroom with a double fitted wardrobe, double-glazed window and radiator; and a further bedroom with a double-glazed window to the side aspect and radiator.

The toilet/shower room currently has a low-flush WC and wash hand basin, together with a Velux window. There appears to be potential to incorporate a walk-in shower, subject to the necessary works and suitability.

Outside

Outside, the property benefits from a good-sized side and rear garden, providing plenty of scope for landscaping and improvement.

There is a timber-framed car port/lean-to with a concrete base, while the size and arrangement of the outside space offers potential to create additional off-road parking, whilst still retaining a good-sized garden.

Overall, 2 Matchcroft represents an excellent renovation opportunity, with some of the more substantial infrastructure works already undertaken. Once completed and modernised, the property offers the potential to create a well-proportioned three-bedroom home with good outside space and parking.
