The tranquil village of Warton is ideally situated close to the stunning Warton Crag Nature Reserve, with an abundance of scenic countryside walks right on the doorstep. The village enjoys a vibrant and welcoming community, with a variety of local activities, clubs and groups to get involved in. The M6 motorway is also easily accessible within just a few minutes, providing excellent connections to the wider region.

Upon entering the property via the porch, you are led into the entrance hall providing access to the main living accommodation. The kitchen is fitted with a range of wall and base units with complementing worktop and tiled splashback. A useful utility room provides additional practicality, with power and lighting. The utility room contains a washing machine and tumble dryer and these are included in the sale. There is also space for further white goods.

The cosy snug features a characterful fireplace and offers a versatile additional reception room. For growing families, this space could also lend itself to use as a fourth bedroom, subject to any necessary requirements.

The generously proportioned dining room flows naturally through to the main living room, creating an ideal space for family life and entertaining. The living room boasts a striking inglenook fireplace, exposed stone walls. Exposed beams run through these rooms, adding a wealth of character and charm. Patio doors open directly onto the garden, allowing plenty of natural light into the room and providing a seamless connection with the outside space.

Gated off-road parking is available for several vehicles, providing secure and convenient parking away from the main road. Access to the parking area is via a narrow opening suitable for smaller vehicles and located between 148 and 150 Main Street, so vehicles will need to negotiate a restricted access when entering and exiting.

The stone built outbuildings include a spacious garage with wc and basin, an outhouse, and a useful workshop/store room with an attached potting shed, having power and lighting this workshop could offer excellent versatility and could potentially be utilised as a home office, hobby room or additional storage space.

The property would benefit from some updating and modernisation, but offers excellent potential to create a wonderful family home, retaining many charming character features while providing generous and versatile accommodation both inside and out.
