Description

The building comprises a prominent and attractive late Victorian detached villa. It is set back from the road benefiting from an in and out drive and a large forecourt / parking area. The building retains many period features with rooms of grand proportions and an original, late Victorian, Water Closet.

Originally built as a private residence the property was subsequently converted and used as a care home until 2018 when planning consent was obtained for change of use to a House in Multiple Occupation (HMO). The property has been used as an HMO since then. It is arranged as 16 letting rooms with a mix of en suite and shared bathroom facilities and communal kitchen facilities.

The lower ground floor benefits from good natural light, direct garden access to the rear and self contained entrances to both the front and the rear of the property such that it is possible to self-contain this floor.

Accommodation

We have measured the approximate Gross Internal Area (GIA) as follows:

Planning

The property is Grade II listed and was run as a care home until 2018.

Planning consent was granted for conversion of the property to a House in Multiple Occupation (HMO) in 2018 - ref BH2017/00201. The property has been used as an HMO since then.

Initial planning advice indicates that change of use to other forms of residential use are likely to be in line with planning policy. The property may also have potential for other non residential uses (subject to planning). Interested parties are advised to make their own planning enquiries.

Indicative schemes have been prepared showing options for the property to be converted to:

1. A self contained 3 bedroom annexe / granny flat to the lower ground floor and an 8 bedroom house to the ground, first and second floors.
2. A flat to each floor comprising 3 x 4 bed flats and 1 x 3 bed flat.
3. A 7 flat scheme comprising 3 x 1 bed flat, 3 x 2 bed flats & 1 x 3 bed flat.

A pre-application has been submitted for feedback from the planning authority for Option 1

Copies of plans, the Heritage Statement and initial planning advice are available on request.
