£315,000

**A well-presented, deceptively spacious, comfortable home,
with a beautiful, enclosed rear garden.**

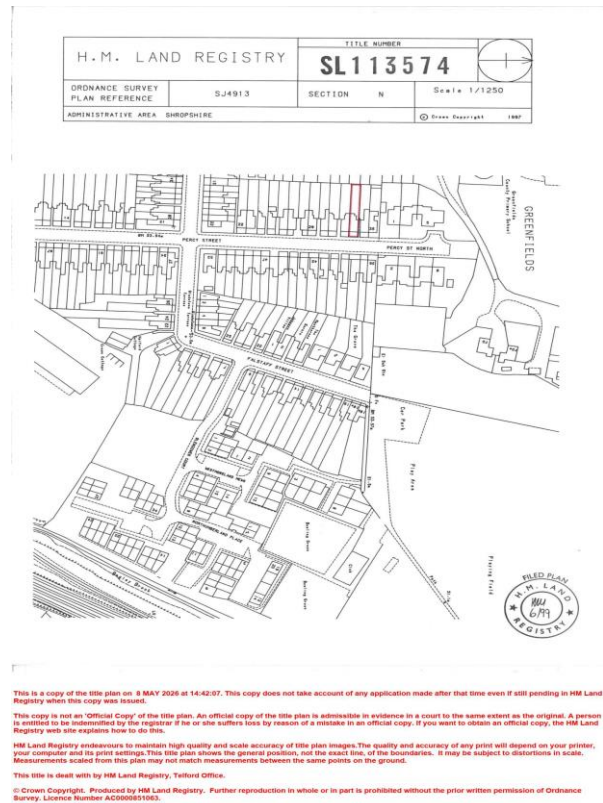

This well-presented, deceptively spacious home provides comfortable accommodation throughout and has a well-maintained, attractive rear garden with apple trees and a range of soft fruit plant. The property is warmed by gas central heating and the accommodation includes an entrance hall with attractive period tile flooring, a living room with a coal effect gas fire and a walk-in bay window to the front, a dining room with wood burner, a well-fitted kitchen, a garden room with French doors leading into a lovely rear garden. There is the additional benefit of a useful cellar with generous ceiling height, offering potential for conversion into an extra room. On the first floor are two good-sized bedrooms and a well-appointed bathroom. There is a third bedroom on the second floor, which has lovely rooftop views. Greenfields is a popular, quite location with a network of cul-de-sacs, a local primary school close by and local recreation ground, local shop, takeaway and hairdresser, and within easy walking distance of the town centre, railway and bus stations. Although the property is terraced, it benefits from not being joined at ground floor level on one side, having a covered passage which affords side access to the back garden for bins etc. We would recommend an early viewing of this much-loved home.
