

1 HIGHER LANE, KERRIDGE, MACCLESFIELD, SK10 5AR

FOR SALE | £165,000

Description

No. 1 Higher Lane is a characterful one-bedroom end-of-terrace cottage in the village of Kerridge. Believed to date from around 1800, the property retains the appearance of a traditional Cheshire stone cottage, with stone elevations beneath a stone-flagged roof.

The ground floor comprises a living room and a separate kitchen, with a bedroom and bathroom with WC on the first floor. The accommodation offers scope for modernisation, giving the purchaser the opportunity to update the interiors to suit their own tastes while retaining the cottage's period character.

Outside, the property benefits from a small south-facing garden, providing space for a seating area and planting.

Location

The cottage is situated on Higher Lane, a no-through lane off Oak Lane, within the Kerridge Conservation Area. Traditional stone homes and surrounding farmland give this part of the village its semi-rural character, with everyday amenities available in nearby Bollington.

Bollington lies approximately one mile away and offers local shops and primary schools. Macclesfield town centre is approximately three miles away and provides a wider range of shops, leisure facilities and secondary schools, together with a mainline railway station.
