Outside

Front

To the front of the property, a paved pathway leads to the main entrance door, with areas of artificial lawn to either side. Adjacent to this, a brick-weave driveway leads through timber gates, opening onto a further driveway to the side of the property, providing access to the garage.

Rear

The south-facing rear garden is enclosed by a combination of brick walling and timber panel fencing. A paved pathway leads from the side entrance gate through to the pedestrian access door to the garage. The garden is predominantly laid to artificial lawn, with paved patio areas positioned in both rear corners, providing space for outdoor seating. A second gate to the opposite side of the property provides further access to the front. Additional features include outside lighting and an outside tap.

Garage

5.28 x 2.37

The brick-built garage benefits from an electric roller door, lighting and an obscure-glazed pedestrian access door.
