Martin & Pole

4 bedrooms, ensuite shower room, family bathroom, downstairs cloakroom, lounge, separate dining room, kitchen, utility room, conservatory, double-width garage, workshop, driveway parking, double glazing, gas radiator central heating.

Constructed by Bovis Homes in 1979 and being sold for the first time since new with no onward chain. The property has had various improvements over the years but is now in need of some updating and offers superb potential for the next family to improve and probably extend (subject to all necessary consents).

The area provides good access to the University and bus services which run into Reading town centre, where the main line railway station offers services to Paddington, on the Elizabeth Line, and Waterloo which run through the nearby Earley Railway Station. There are good shopping facilities at the Asda and Marks & Spencer complexes in Lower Earley, as well as a doctor's surgery and a leisure centre.

The M4 motorway can be accessed either at Junction 11, where there is also the A33 south to Basingstoke, as well as Green Park and its new railway station; or at Junction 10 where London then lies approximately 40 miles away and Heathrow Airport approximately 28 miles away
