CHAIN FREE

This three-bedroom end-terrace house is located in the popular coastal town of Burry Port and is offered for sale with no onward chain, making it an excellent option for first-time buyers. Set close to the marina, beaches, and local amenities, the property provides a practical layout across two floors and benefits from additional light and privacy due to its end-terrace position.

The ground floor begins with an entrance hall leading into an open-plan lounge and dining area, measuring 4.15m x 3.03m into 3.19m x 3.17m, connected by an archway that creates a natural flow between the two spaces. This arrangement offers a comfortable area for both relaxation and dining, with a large front window drawing in natural light. To the rear of the property is a further reception room that provides flexibility for use as a study, snug, or playroom, and this room leads directly into the kitchen. The kitchen is fitted with wall and base units, work surfaces, appliance spaces, and windows to the side and rear, along with a door opening to the garden.

On the first floor, the property offers three bedrooms, comprising two doubles and one single, along with a bathroom fitted with a three-piece suite including a bath, WC, and wash hand basin.

Externally, the home benefits from front and rear access. The rear garden is flat and thoughtfully arranged with a patio and a grass area, perfect for outdoor seating and leisure. At the end of the garden sits a garage, providing off-road parking and additional storage space.

With its coastal setting, practical layout, and chain-free position, this end-terrace property provides an appealing opportunity to settle in one of Burry Port's well-regarded residential areas.

Burry Port is a small harbour town on the outskirts of Llanelli that offers all local amenities and good transport links. It is well-known because Amelia Earhart landed there as the first woman to fly across the Atlantic Ocean. The Pembrey Burrows dune and wetland system, home to a country park and the Cefn Sidan sands, lies nearby. The harbour has recently been redeveloped and offers a view of the stunning Gower Coastline opposite.
