Barquentine Place

No Chain. Set within the ever popular Atlantic Wharf development, this well presented townhouse offers a calm and considered interior, recently refreshed with a neutral palette and new carpeting, allowing a buyer to move straight in with ease. Arranged across three floors, the layout has been carefully designed to balance everyday practicality with flexible living, from the welcoming kitchen diner that opens directly onto the garden, to the generous first floor living space that enjoys a pleasant outlook and an abundance of natural light.

The upper floors provide four bedrooms, including a principal suite with fitted storage and its own en suite, making the house well suited to both family life and those needing dedicated working space. The inclusion of a ground floor study or boot room and integral garage further enhances its versatility.

Atlantic Wharf continues to be one of Cardiff's most convenient residential locations, positioned between the city centre and Cardiff Bay. A short walk leads to the waterfront, with its collection of independent cafés, restaurants and cultural attractions, while the city centre offers extensive shopping and transport connections including Cardiff Central station. Nearby green spaces and walking routes provide a welcome contrast, and the area is well served by reputable schools and road links for those commuting further afield.

Offered with no onward chain, the property presents a straightforward opportunity for a buyer seeking a well balanced home in a highly accessible setting.

1546.00 sq ft
