We are pleased to present this two-bedroom end terrace home, ideally located on Camp Road in the popular area of Wyke Regis. This property benefits from a spacious open plan lounge / diner / kitchen, two double bedrooms, family bathroom with double glazing and gas central heating. To the outside is a private rear garden. All offered with no onward chain.

The ground floor comprises a welcoming entrance hallway with doors leading to the lounge/diner/kitchen, a convenient ground-floor WC, and understairs storage. The kitchen area is contemporary in style with a good range of eye level and base units with integral appliances. Upstairs, the main bedroom spans the full width of the property and enjoys distant sea views over Chesil Beach and Portland Harbour. We believe there is potential to split the main bedroom to create a third bedroom; there is space on the landing for a door, and there is a light switch in place. The second bedroom and modern family bathroom are located at the front of the house,

providing practical family accommodation.

Externally, the rear garden is fully enclosed and features a patio, decking area, and lawn, creating a versatile space for relaxing or entertaining.

Wyke Regis is a sought-after location with local shops and amenities including regular bus routes, a medical centre, dentist, and beauty salons. For nature lovers, the Fleet Nature Reserve is within walking distance, offering beautiful walks along the South West Coast Path.

This property represents an ideal opportunity for first-time buyers or those looking for a convenient coastal home. To arrange a viewing, contact the team at Austins today.
