Ground Floor

To the front, the property benefits from a well kept garden, off road parking for two vehicles, and a detached double garage, which is fully plastered and fitted with spotlights, providing excellent potential for use as a workshop, home gym, or additional functional space. The corner position enhances the sense of privacy while also offering additional outdoor space compared to neighbouring homes.

Stepping through the front door, you are welcomed by a spacious entrance hallway that immediately sets the tone for the rest of the home. From here, stairs rise to the first floor, while directly ahead is a conveniently located downstairs WC complete with sink, perfect for guests and everyday family use.

Positioned to the left of the hallway is the impressive kitchen dining room, a true heart of the home. This dual aspect space enjoys windows on both sides, allowing natural light to pour in throughout the day and creating a bright and airy atmosphere. The kitchen is thoughtfully designed with an abundance of cabinet storage and worktop space, along with integrated appliances including a dishwasher and oven, catering perfectly to modern living. There is ample room for a family dining table, making this an ideal setting for both casual meals and entertaining.

Leading off the kitchen is a separate utility room, which adds valuable practicality with an additional sink, space for further appliances, and direct access to the rear garden, ideal for busy households and keeping the main living areas clutter free.

The sitting room is equally impressive, offering a generously proportioned and fully carpeted space designed for relaxation. Large windows and patio doors allow for an abundance of natural light while also providing seamless access to the garden, blending indoor and outdoor living. An electric fireplace serves as an attractive focal point, creating a cosy and inviting environment during the cooler months.

This room also benefits from additional built in storage airing cupboard space. The remaining bedrooms are all well proportioned, making them suitable for a variety of uses such as children's rooms, guest accommodation, or even a home office. Bedroom two is a generous double overlooking the front of the property, while bedrooms three and four are positioned to the rear. Bedroom three includes built in storage, while bedroom four, although the smallest, still offers a versatile space with a pleasant outlook over the garden. The family bathroom is well appointed and centrally located, comprising a bath with shower over, sink, and WC, ideal for serving the additional bedrooms.

Outside
