Summary

WEBBS ESTATE AGENTS have pleasure in offering this beautifully presented David Wilson family home offers a host of luxury upgrades well beyond the original specification. The heart of the home is the contemporary "Symphony" kitchen, fitted with premium integrated AEG appliances and opening into a spacious dining and family area—ideal for modern living. Luxury Amtico flooring extends across the entire ground floor, enhanced further by upgraded spot lighting and stylish design details throughout. All four double bedrooms benefit from bespoke fitted wardrobes, and the master suite features a sleek en-suite bathroom. A separate utility room and a bright, welcoming lounge complete the generous ground floor layout.

The property also boasts a range of premium external features, including a high-spec Rock composite front door, electric roller shutter garage door, and provision for an EV charger. The rear garden has been thoughtfully landscaped to create a private and low-maintenance patio area, perfect for entertaining. Fitted blinds and gated access on both sides of the home add practicality and convenience.

Peace of mind is assured with approximately eight years remaining on the NHBC builder's warranty. The property is designed for year-round comfort, with UPVC double glazing, gas central heating via a modern combi boiler, dual-zone heating controls (in both the hallway and master bedroom), and full wall and loft insulation. Additional storage is plentiful, with several store cupboards positioned across both floors.

Ideally located, the home provides easy access to both Cannock and Hednesford town centres, as well as reliable bus and train services. For lovers of the outdoors, the property is just minutes from the stunning Cannock Chase, an Area of Outstanding Natural Beauty. Commuters will benefit from excellent road links via the A460, A5, and M6 Toll, connecting to the wider Midlands motorway network.
