We love Nelson. The street is lovely and quiet, close to the main village where you can catch public transport. The neighbours are friendly and it's a lovely little community. We love that the house has plenty of storage. We also love the double garage, it's the only one on the street. We don't feel overlooked, no one in front and no one behind, plus lovely views to the mountain. Great access to local schools, the infants is literally opposite and the juniors is a 5 minute walk.
