

Comptons Lane, Horsham, West Sussex, RH13 5NL

A superb three-bedroom semi-detached family home occupying a generous plot in one of Horsham's most popular residential locations, with a fantastic south-westerly facing garden, excellent school catchment and exciting potential for further enlargement (subject to the necessary planning permissions).

Tucked away on the popular Compton's Lane, this well-presented home offers an excellent combination of space, practicality and future potential. Set back from the road, the property benefits from a driveway providing parking for two cars, a front lawn which could potentially be adapted to create further parking if required, and convenient side access leading through to the impressive rear garden. With The Forest School directly opposite and Millais School just a short walk away, the location is particularly appealing to families, whilst Horsham town centre and the mainline railway station are also within easy reach.

Inside, the welcoming entrance hall is finished in contemporary tones and provides useful under-stairs storage before opening into the main living accommodation. The generous open-plan living and dining room creates a wonderfully sociable space, with the living area enjoying views over the rear garden and ample room for a large suite and accompanying furniture, while the dining area looks towards the front of the property.

The kitchen is well equipped with a good range of work surfaces and storage cupboards, together with direct access to the garden and adjoining outbuildings. Whilst perfectly functional, there is also scope to modernise and enhance the kitchen in the future, allowing a new owner to put their own stamp on the space.

A particularly useful feature of this home is the collection of brick-built outbuildings, currently providing a useful utility area, store and an external cloakroom. These offer excellent versatility and, subject to the appropriate consents, could potentially form part of a larger extension to create even more valuable living accommodation. In addition, the owners have installed an impressive timber cabin within the garden, providing an ideal home office, hobby room or simply a peaceful retreat to enjoy on a sunny afternoon.

Upstairs are three bedrooms, with the principal bedroom offering generous proportions and plenty of space for wardrobes and bedside furniture. Bedroom two is another comfortable double, whilst bedroom three is a good-sized single with space for freestanding furniture. The family bathroom completes the first floor and is well proportioned, incorporating a bath, separate shower, WC and wash hand basin.

Outside, the rear garden is a real highlight. Generously proportioned and predominantly laid to lawn, it is enclosed by mature hedging which creates an exceptionally private and secluded feel. With its south-westerly orientation, the garden enjoys an abundance of sunshine and provides a wonderful setting for children to play, entertaining friends and family, or simply relaxing outdoors throughout the warmer months.

With its excellent family-friendly location, generous garden, useful outbuildings, superb school positioning and genuine potential to extend, this is a home that offers considerably more than initially meets the eye and represents an exciting opportunity for the next owners to create their ideal family home.
