65 Olivette Crescent

Thirsk

Olivette Crescent sits within Furlong Park, a development built by Bellway Homes on Station Road, Thirsk. Completed in 2020, the house forms part of a modern estate close to the town centre, with a children's play park within the development itself.

Station Road, as the name suggests, leads directly to Thirsk railway station, putting this property within easy walking distance of rail links, including services on the Leeds to Northallerton line. The town centre, with its shops, market square, and schools, is also within walking distance, while the A19 and A61 provide onward routes for those commuting by car.

The property itself is a four bedroom detached house with an integral garage, set within a private plot with driveway parking and an enclosed rear garden.
