## DESCRIPTION

Originally a warehouse serving the York Beer and Wine shop, this period building has been re-purposed and cleverly designed to provide a stunning home in one of York's favourite riverside streets. The award-winning builder has delivered some of York's most stand-out houses and this meticulous project combines scale and comfort to provide a fabulous home.

The versatile living space is arranged over 3 floors and provides almost 1400 square feet of stylish accommodation together with 2 urban landscaped gardens ideal for entertaining.

A sociable house, the ground floor is free-flowing and opens to both gardens front and back via fully glazed walls bringing the outside in. There are 4 bedrooms, the primary with an ensuite shower room and a stylish family bathroom.

The property benefits from a 10 year warranty and is 'as new' with complete re-wiring/re-plumbing, re-plastering, bespoke windows and all new interiors including kitchen and bathrooms. It enjoys an impressive EPC rating given the age of the original building. Sandringham Street is ideally placed high above the river but with easy access to the delightful walks into the city and towards the Millenium Bridge, Bishy Rd, Rowntree Park and Fulford Ings. It offers easy access to the city centre, the railway station and to the university.
