**17 Precinct Street, Blairgowrie
PH13 9DG**

Offers over £50,000

This mid terraced house on Precinct Street offers an opportunity for buyers or investors looking for a full strip-back renovation project. The property is in very poor condition throughout and will require extensive works, making it suitable only for those prepared to take on a complete refurbishment from top to bottom.

Internally the property currently comprises a lounge, kitchen, two bedrooms and a bathroom. While the layout provides a solid starting point, the property is a blank canvas and should be viewed as a total renovation opportunity rather than a home ready for occupation. This is a project property with clear potential for those with vision, and experience. Once renovated, it could be transformed into a charming home or a worthwhile investment.
