17, Broadwater Rise

Guildford, GUI 2LA

Tucked away at the end of a very convenient residential road, close to all of Guildford's most popular schools and with a private gate leading directly onto many acres of wonderful countryside, known as Merrow Downs A fine Victorian family house of charm and character with practical family orientated accommodation, in a very secluded and quiet garden

PROPERTY SUMMARY

An impressive Victorian family house which has been extended and upgraded over the years to now provide light and airy, practical accommodation, ideal for family living. There are many features of its period, including replaced bespoke wooden sash windows and high ceilings. However, the house benefits from up to date technology including a 14 panel 4KW solar system on the roof which generates electricity with an inverter and there is a 13.5 kWh Tesla powered battery and a 7kWh EV charging point. The hot water is a Megaflow system with a solar coil, heated by evacuated tubes on the roof, all all windows have been replaced with double glazed units. An impressive reception hall provides a great first impression, with two reception rooms and a study off. A large extended kitchen/breakfast room with feature vaulted ceiling and glazed gable, now forms the heart of the house. There is also utility room and cloakroom off. On the first floor there are four lovely bedrooms with low sash windows and a family bathroom, and on the second floor there is a fifth bedroom and a further bathroom. Outside a long private driveway, providing parking for several cars, leads to the detached garaging, with space for three cars and a path leads to a private gate directly on to the Downs, providing excellent dog walking. The remainder of the garden is on the west and at the front of the house with lawns and a putting green.
