Tree Tops dates from 1902 and was built to a high standard with many interesting architectural features echoing its Edwardian character, and I'm pleased to note that these have been retained and kept in good order over the intervening years.

Particularly attractive design features are the ground floor reception rooms which have individual windows throughout with a variety of curved bays, French doors, rectangular bays, etc., adding to the charm that the property offers. Along with this, the property is well proportioned with high ceilings, three attractive reception rooms, good sized family kitchen with boot room and utility room and store room leading off, with four double bedrooms, updated shower room and en-suite WC. The detached garage is a useful feature and has a room above, lending itself for excellent home office or other purposes, all encompassed with attractive level gardens.

Being situated in Undy a range of local amenities are within a short walking distance including pubs, restaurants, local shop and primary school. There are good bus, road and rail links with the A48, M4 and M48 motorway networks bringing Bristol, Cardiff and Newport all within commuting distance.
