Outside, the garden provides multiple seating and dining areas, and low-maintenance landscaping. A double garage with electric car charging, ample driveway parking, and energy-efficient features including solar panels and battery storage combine convenience with sustainability.

Nearby Great Glen offers a peaceful village setting with excellent local amenities, schools (including St Cuthbert's C of E Primary, Leicester Grammar School, for both juniors & seniors, Glen Hills Primary, and LGS Stoneygate), and recreation; while the nearby Grade II* listed Stretton Hall adds historic charm. This is a rare opportunity to acquire a home of true distinction, uniquely designed and finished for refined family living.

Welcome to Chestnut House

This exceptional home blends advanced technology with refined design, delivering comfort, convenience, and security. Underfloor heating provides year-round warmth, while the Loxone Smart Home system offers intuitive control of lighting, room-by-room heating, ventilation, humidity, hot water, and gate access. A Denon HEOS speaker system brings immersive audio throughout, and an extensive CCTV network with eleven cameras, an alarm system, and electric gates with intercom ensures complete peace of mind. Designed for modern family living, the property includes a full HVAC ventilation system, whole-house network cabling, and 5A sockets for effortless practicality. Amtico flooring enhances the downstairs spaces, while upstairs benefits from large-format tiles and automatic PIR lighting in bathrooms and walk-in wardrobes. Outside, electric gates open to a generous driveway with parking for ten or more cars, completing a home that perfectly balances luxury, security, and contemporary living.

Ground Floor

Open Plan Lounge/Kitchen/Diner

At the heart of the home is a spacious open-plan lounge, kitchen and dining area designed for relaxed family living and stylish entertaining. The German Leicht kitchen features sleek concrete-textured cabinetry and a large island, with premium Miele appliances seamlessly integrated. A Quooker hot tap, Cube chilled water system and Neolith and Corian worktops reflect the focus on quality. Wide bi-fold doors flood the space with light and open to a balcony with far-reaching views over the garden and countryside. Muuto pendant lighting, Hay chairs and bar stools add contemporary elegance, while discreet Bose speakers within the HEOS system enhance the atmosphere. Flowing from the dining area, the lounge offers a refined place to unwind. A Novamobili media unit and coffee table create a sophisticated focal point, complemented by a generous Quatropi U-shaped sofa. The dramatic Northern Lights faux exploding bulb pendant brings a final touch of modern artistry.

Family Room

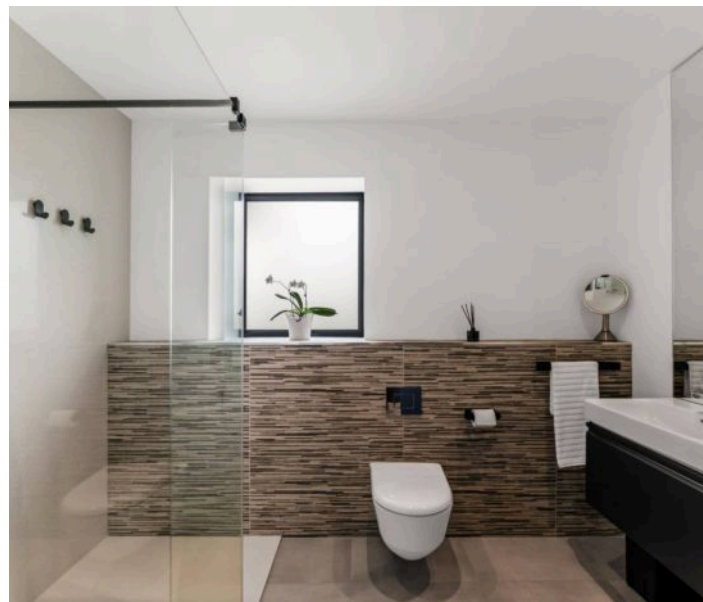

Set just off the entrance hallway, the family room is a light-filled retreat with floor-to-ceiling windows framing views to both the front of the property and the rear garden. Italian-designed Novamobili storage units bring sleek functionality, while a bespoke Neolith dining table and a comfortable Quatropi two-seater sofa create a versatile setting that adapts to different needs. For families, it makes an ideal playroom where children can enjoy their own space within sight of the main living areas, while its generous proportions and calm atmosphere also make it perfectly suited as a quiet sitting room for grandparents or visiting guests.

Boot Room

Practicality meets design in the boot room, where Italian-designed Novamobili tall storage units and a sleek 'Slide Iron' bench provide a stylish and organised space to store coats, shoes and everyday essentials. Offering convenient internal access to the garage, this room keeps the home effortlessly tidy while serving as a functional hub for busy family life, whether for school runs, sports equipment or arriving home from work.

Home Gym/Snug

The home gym offers a bright and energising space with dual-aspect windows overlooking the front of the property. Equipped with high-quality fitness apparatus, including a Taurus multigym, Proform treadmill, NordicTrack cross trainer and Vibrating Powerplate, the room caters perfectly to health-conscious homeowners, with the option for some equipment to remain available for purchase. Thoughtfully designed with built-in ceiling speakers connected to the HEOS system and a stylish Italian-designed table and stool, the space is equally adaptable for other uses, from a quiet study to a peaceful retreat for family members seeking their own private haven.

Study
