## SITUATION

This attractive cottage is situated in the heart of the village of Lydford, enjoying a sunny, southeast-facing rear aspect, and is within easy reach of the village's amenities and open moorland within a mile to the east.

Lydford is an unspoilt, historic village on the western fringe of Dartmoor National Park, centred around a medieval castle which was passed to the care of English Heritage in 1932. The village offers two pubs, an Ofsted "Good"-rated primary school, a village hall, a popular farm shop and the Granite Trail cycleway, and also boasts the delightful Lydford Gorge, a National Trust property with its famous waterfall. Nearby Tavistock (8 miles) and Okehampton (9 miles) provide an excellent range of shopping, recreational, and educational facilities. The A30 is within 7 miles, at Sourton, and Exeter, around 25 miles further on, offers air, rail, and motorway links to London and beyond.

## DESCRIPTION

This charming and well-rounded terraced cottage has been in our client's ownership for over 40 years, having once incorporated the village butcher's shop, during which time it has been totally restored, remodelled and extended in order to create a home of tremendous warmth, comfort, and convenience. The 4-bedroom, 3-bathroom accommodation is full of traditional period details, and most of the rooms enjoy a lovely outlook over the property's pretty rear garden towards nearby Dartmoor.

Externally, the cottage is complemented by attractive, walled rear gardens and also benefits from valuable off-road parking space in addition to an integral garage. Finally, the sellers have also upgraded the property with a photovoltaic panel array and battery storage, ensuring lower energy and running costs, broadening the appeal further still.

### ACCOMMODATION

Entered through a porch into the hallway, the ground floor accommodation can be summarised as follows: a good-sized, dual-aspect sitting room centred around a substantial, granite inglenook fireplace with inset log-burning stove, with patio doors opening to the garden; the central kitchen/breakfast room; a dining room, with a staircase to the second landing; a large, well-equipped utility room with secondary work surfaces, a composite sink and drainer, and space for laundry appliances. The kitchen is equipped with a very good range of slate and granite-topped cupboards and a pantry-style cabinet, incorporating a John Lewis 4-ring induction hob, Bosch double ovens, a ceramic sink, and spaces for a slimline dishwasher and an upright fridge-freezer. The kitchen also features a utility cupboard, an oil-fired Rayburn set into a stone fireplace surround, and patio doors leading to the garden. On the first floor, across two landings, are four double bedrooms, including one with an en-suite shower room and walk-in wardrobe, and two standalone bathrooms, one with a freestanding clawfoot bath and a multifunction corner shower unit, and the other with a panelled bath and a shower enclosure with a Mira Sport electric shower.

### OUTSIDE

To the front of the property is a walled courtyard entranceway, a tarmacked area for parking up to three vehicles and access to the integral garage, which has power and lighting. The lovely rear garden is southeast-facing, with an open outlook over an adjacent field, comprising a sunken terrace, perfect for entertaining and barbecuing, a large level lawn, fruit and vegetable planters, further raised beds with soft fruit and cherry trees, a 6'x6' greenhouse, a tool shed and an implement store, and a former air raid shelter serving as a log store.
