## Description

Comprising entrance hallway, living room, dining room, kitchen, rear lobby/store area, ground floor shower room, utility, three bedrooms, four piece bathroom. The entrance hallway provides some space for a shoe cupboard and hanging of jackets, stairs lead to the first floor and a door leads into the living room. The living room overlooks the front east facing garden and is open plan to the dining room which enjoys views and access directly out to the west facing rear garden. A door leads off to the kitchen with a further door leading out to a rear lobby with storage area currently housing an American fridge freezer, with a door into the garage. A corridor leads to a shower room with WC, a utility with access out to the garden. It is thought this side of the property could provide ground floor accommodation with a conversion of the garage into a bedroom and living room or potentially just a home office or similar. On the first floor there are two double bedrooms and a single room, all come with built in storage. There is a four piece bathroom with roll top bath.

Outside there is driveway parking for a couple of vehicles along with street parking. The rear garden has a patio with steps leading up to a lawned area.

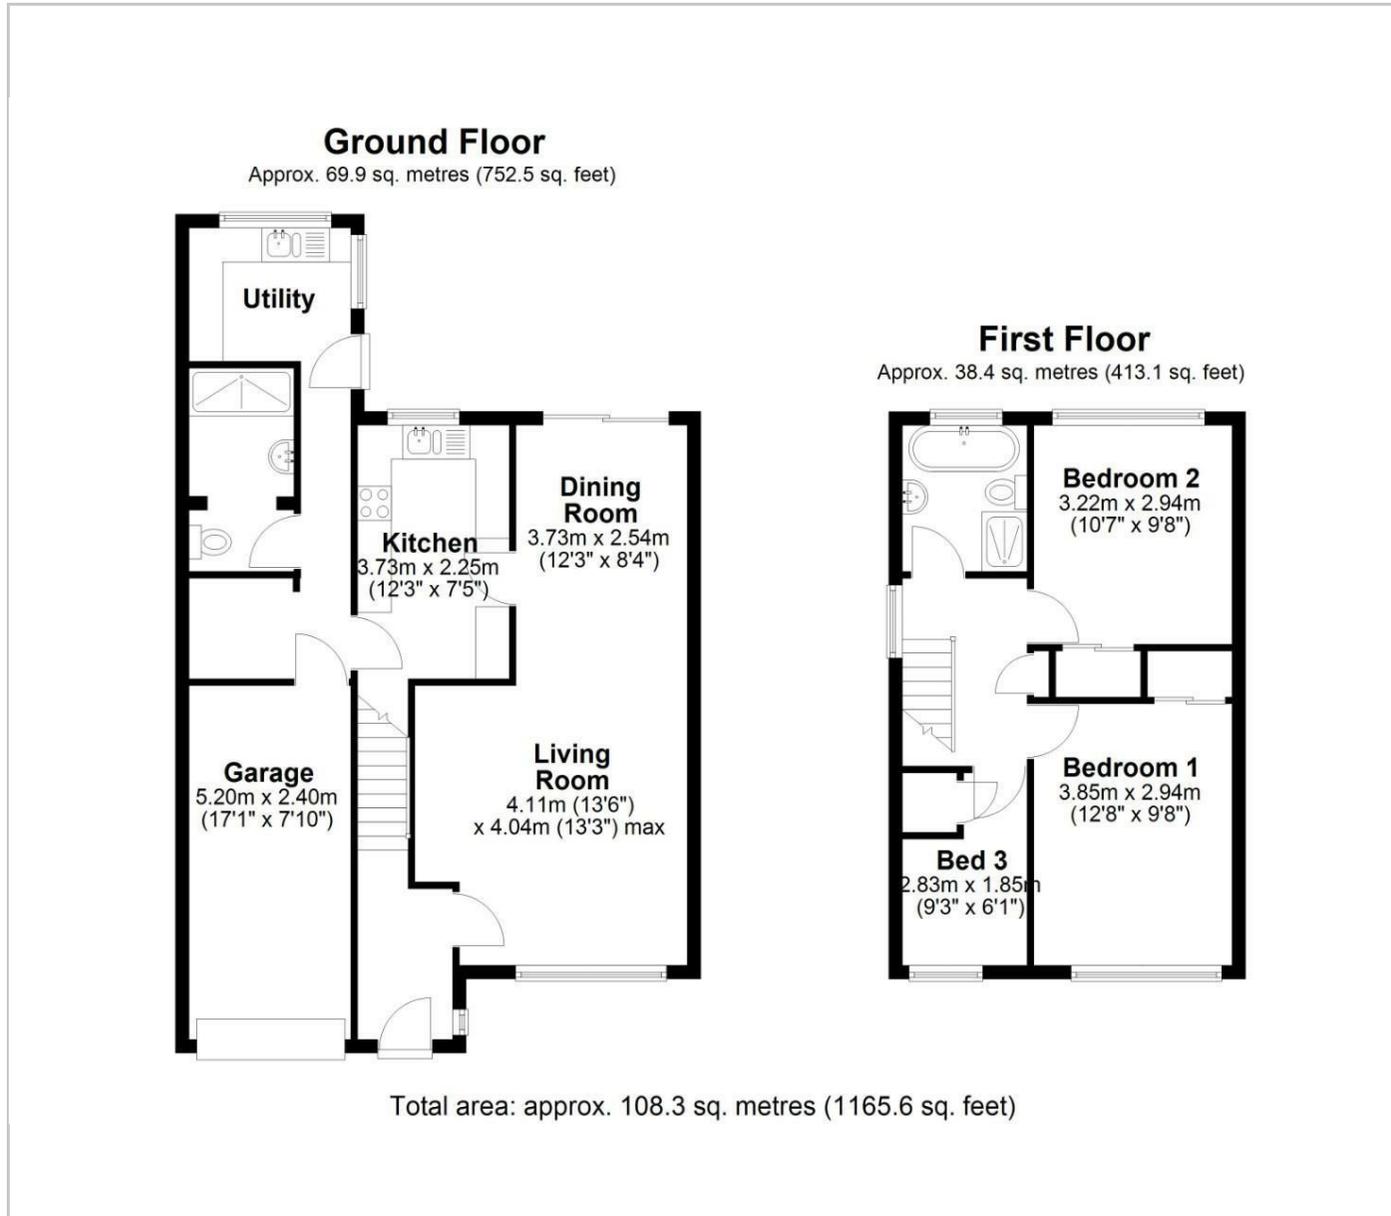

## Situation

Located in the east side of Swindon, with an array of local convenience shops dotted about the area, a larger Sainsbury's, Morrisons and Aldi provide bigger supermarket shops. Greenbridge retail park offers fast food restaurants and an array of homeware, clothing and general stores. Primary and secondary schools are available throughout east suburbs. A vast array of Public houses are dotted about the area to cater to the vast majority of tastes with eastern village pubs a short drive. Coate Water lake has a famous Grade II listed driving board and offers walks around the lake, through the woodland whilst enjoying the views of the surrounding countryside, finished off with a hot drink and snack from their cafe.

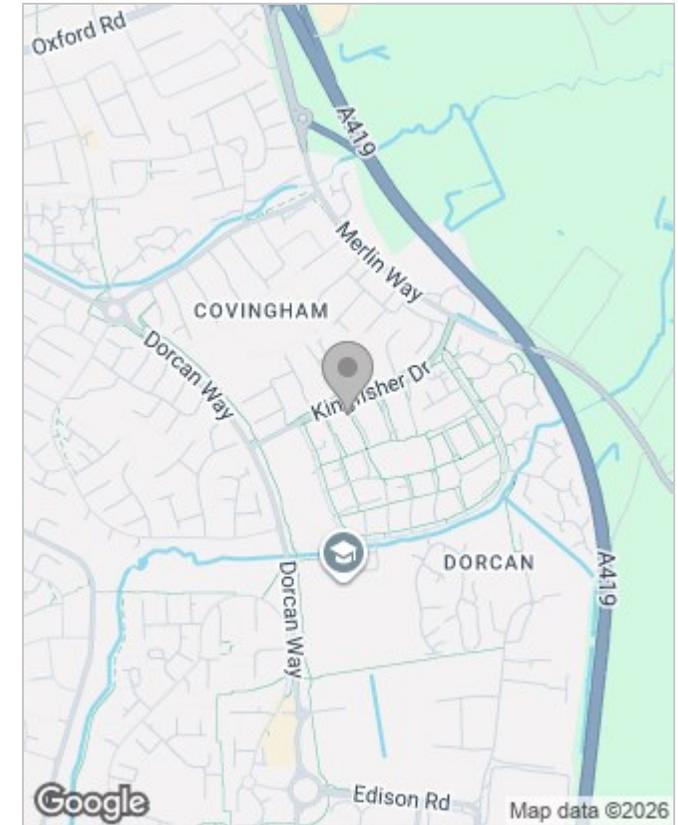

The area has great transport links, the M4 motorway access circa 4.5 miles from the property, the A419 links to the M5 Motorway and the A420 for links to Oxford. Swindon Station is approximately 2.5 miles away and trains to central London, Bath and Bristol and the West Country run on a regular timetable.
