## About The Property

Looking for a character farmhouse with land, equestrian facilities and the opportunity to generate an income? Set in around 8 acres of beautiful Teifi Valley countryside, this substantial six-bedroom home combines generous family accommodation with established guest suites, extensive outbuildings and far-reaching rural views.

Surrounded by rolling countryside in the heart of the Teifi Valley, this impressive farmhouse offers an appealing mix of character, practicality and flexibility. Set within approximately 8 acres of land, the property enjoys far-reaching views across the surrounding landscape, with a collection of paddocks, mature hedgerows and useful outbuildings creating a setting equally suited to family life, equestrian interests or smallholding use.

The farmhouse has been extended and improved over the years while retaining much of its original character. The kitchen forms the centre of the home, fitted with a range of modern units together with space for a range cooker, an integral dishwasher and a generous walk-in larder, making it well suited to everyday family living. Adjoining the kitchen is a cosy snug where a solid-fuel Rayburn provides both warmth and character.

The dining room continues the traditional feel of the property, with exposed ceiling beams and an attractive stone fireplace housing a multi-fuel stove. Offering flexibility within the layout, this room could equally serve as a ground-floor bedroom if required.

One of the most impressive rooms is the spacious main living room, where patio doors open directly onto a sun terrace and barbecue area, creating an excellent connection between the house and the gardens. Beyond this is the former licensed bar and restaurant, now transformed into a substantial family room or entertainment space, providing a variety of options depending on individual needs.

Continued ;  
The accommodation extends to six well-proportioned bedrooms. Two have independent external access and are currently operated as successful B&B suites, each finished with vaulted ceilings, tiled floors and contemporary en-suite shower rooms. Subject to any necessary permissions, these rooms could also provide excellent annex accommodation for extended family or guests. The remaining bedrooms are arranged within the main house, including a principal bedroom enjoying panoramic countryside views together with its own en-suite bathroom.

Outside, the property continues to impress. A stable block, hay barn,

open-fronted barn and garage/workshop provide excellent storage and practical working space, whether for horses, livestock, machinery or hobbies. The land is divided into nine manageable paddocks bordered by mature oak and beech hedgerows, providing natural shelter and making the acreage easy to manage.

Further enhancing the property's versatility is a timber log cabin currently used as a home office, together with a separate gym area. A productive vegetable garden and fruit-growing area provide the opportunity for a more self-sufficient lifestyle while making full use of the surrounding

grounds.

Although enjoying a wonderfully rural setting, the property remains within easy reach of the market towns of Lampeter and Tregaron for everyday amenities. Carmarthen, the M4 motorway and mainline rail connections are also accessible, making the property suitable for those seeking countryside living without feeling isolated.

A public footpath passes along part of the driveway, connecting the property to the surrounding countryside and offering direct access to local walking routes.

Properties offering this combination of substantial family accommodation, established income potential, equestrian facilities and around 8 acres of land are increasingly difficult to find. Whether continuing the existing guest accommodation, keeping horses, creating a smallholding or simply enjoying the space and surroundings, this is a home that offers exceptional flexibility in a beautiful part of West Wales.
