Underground Secure Car Parking, The Blade, 15

Let UK Home are excited to offer a rare opportunity to rent dedicated underground allocated parking space within The Blade development – one of Manchester's most sought-after luxury Renaker residential towers in the New Jackson neighbourhood.

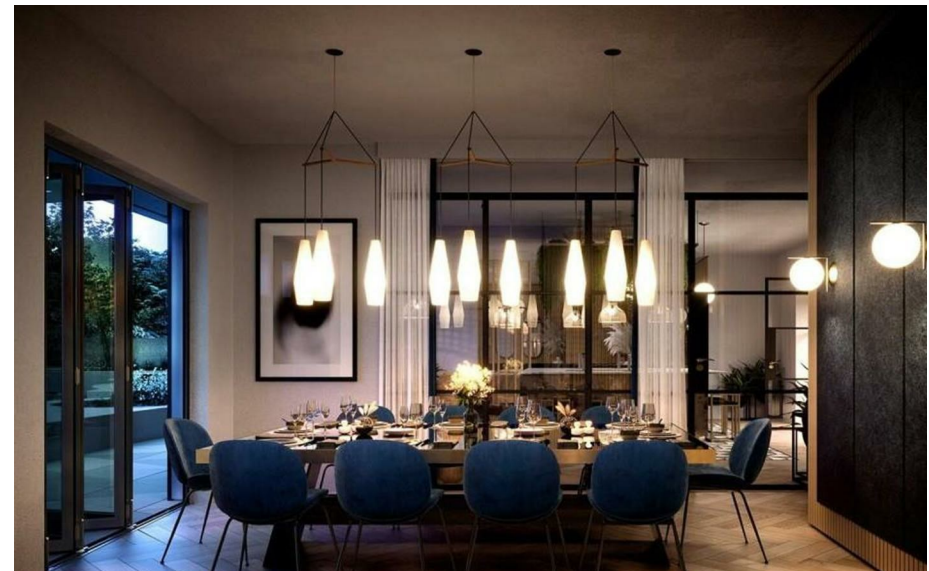

This private resident-only bay sits inside the fully secured underground car park, delivering complete peace of mind for your vehicle.

Parking is extremely limited across the Deansgate Square / New Jackson complex, making this fixed allocated bay a huge bonus for anyone living within The Blade tower, eliminating the stress of searching for on-street parking or costly public city centre car park fees.

Located a short walk from Deansgate Train Station and Castlefield Metrolink stops, the development boasts exceptional transport links into Manchester city centre, Spinningfields business district, local universities including the University of Manchester and Manchester Metropolitan University, plus easy routes out to Mancunian Way, M56 motorway and Manchester Airport.
