"We gutted and rebuilt this house into a light, beautifully welcoming home. The garden is brimming with fruit and tropical flowers, while the wood burner keeps things cosy in the colder months. The roomy, luxurious bathroom feels like a little retreat, and the big, playful kids' bedroom is full of space for adventures, sleepovers and growing up. It's a home that feels both peaceful and full of life, and one we've genuinely loved living in. Oh! And the sunsets are to die for!"
