Luxury living starts here. Stunning 2-bedroom apartment designed to impress!

**** SINGLE STOREY LIVING WITH PRIVATE OFF-STREET PARKING!! ****

This beautifully refurbished two-bedroom ground floor apartment has been finished to an exceptional standard, offering stylish and contemporary living in a highly convenient location.

At the heart of the home is a spacious open-plan living, kitchen, and dining area, thoughtfully designed to maximise light and functionality. The space features a brand-new high-specification kitchen with sleek, modern finishes—perfect for both entertaining and everyday living. The property also benefits from a beautifully appointed bathroom, complete with quality fixtures and a clean, elegant design.

The comprehensive renovation has been carried out in full compliance with stringent building regulations, including enhanced soundproofing for optimal comfort and privacy. As part of the works, the developer has installed brand-new electric radiators, undertaken a full re-wire, added insulation, and fitted a new kitchen and bathroom, as well as being fully plastered and neutrally decorated throughout with modern doors and high quality flooring. The result is a home that offers the feel and reliability of a brand-new property.

Externally, the apartment enjoys the rare advantage of a private gravelled driveway along with its own decked garden area, an increasingly sought-after feature for properties of this style. There is also a separate yard for bin storage with a lockable storage unit.

With Hornsea continuing to grow in popularity as a holiday destination, this property also presents an excellent investment opportunity. The current vendor, an experienced local holiday-let operator, has provided projected income figures, available upon request through the agents.

An ideal purchase for first-time buyers, downsizers, or investors seeking a turnkey home that combines high-quality presentation with practical, low-maintenance living.
