

## Prime Freehold Showroom & Development Opportunity - Worthing Town Centre

An exceptionally rare opportunity to acquire a highly prominent and versatile freehold showroom premises, superbly positioned on a busy main road in the heart of Worthing town centre, adjacent to the ever-popular Lidl. The property benefits from substantial passing vehicular traffic and strong footfall, making it an ideal trading location for a wide variety of businesses.

This attractive and characterful building has been home to a long-established stonemasonry business, successfully trading for decades and offering an incoming purchaser the potential to continue within the same trade, capitalising on its established reputation and loyal customer base.

The ground floor comprises a striking, large window-fronted showroom, providing excellent visibility and display opportunities. To the rear, there are well-proportioned office and operational areas, lending themselves to a range of commercial uses.

Above, the upper parts have been thoughtfully arranged to provide two self-contained residential flats, offering an immediate income stream or owner-occupier flexibility. In addition, there is clear potential to reconfigure the existing accommodation to create a third flat, subject to the necessary consents.

Further development potential exists to extend into the roof space, with scope to create an additional floor, subject to planning permission—enhancing both the residential capacity and overall value of the asset.

Properties of this calibre and versatility in such a prime Worthing location are seldom available. Early enquiries are strongly advised to fully appreciate the potential on offer.

### Key Features
