Wooden windows to the side and rear elevations overlook the garden. There is a built-in eye-level oven, four-ring electric hob with extractor over, void and plumbing for a washing machine, along with tiled splashbacks and a tiled floor.

Opening to:

Rear Porch

Housing the air source central heating pump and electric meter for the solar panels, with a wooden door providing side access to the property.

Garage

Up and over door, electric and lighting, side courtesy door and single glazed window.

Property Exterior

The property is accessed from the main road via a short shared access driveway, from which a private driveway sweeps up to the front entrance, providing ample parking, and continues around to the side garage with additional parking provisions.

The elevated front garden has been designed to make the most of the outstanding views across Flint Mountain and the Dee Estuary, mainly laid to lawn with a selection of bedding plants to the borders and mature trees.

The further elevated rear garden has a hexagonal paved patio area with dwarf wall and steps up to the lawned garden which extends to approximately 0.5 acres and is complemented by a wide selection of flowering shrubs, mature trees and bushes, with open farmland beyond. There is a paved patio area with dwarf wall and steps up to the lawned garden.

This truly is the show-stopping feature of the property.
