THE PROPERTY

Upon entering the property, you are welcomed into an entrance hallway which provides access to the principal ground-floor accommodation. The generously proportioned lounge offers an inviting and versatile living space, with a large picture window allowing an abundance of natural light to fill the room. A feature fireplace creates an attractive focal point, while the excellent room dimensions provide ample space for a variety of furniture arrangements and decorative touches.

Continuing through the home, the spacious dining kitchen offers an excellent combination of practicality and sociable living. The kitchen is fitted with wooden wall and base-mounted cabinetry, paired with white marble-effect work surfaces. There is generous provision for freestanding appliances, while the substantial floor space comfortably accommodates a dining table and chairs, making this an ideal setting for both everyday family meals and entertaining.

Completing the ground floor is a useful separate laundry room, helping to keep household appliances and everyday tasks away from the main kitchen area. A substantial walk-in cupboard provides further valuable storage, enhancing the practicality of the home.

Ascending to the first floor, the landing provides access to three well-proportioned bedrooms and the family bathroom. All three bedrooms are comfortable doubles, offering excellent flexibility for families, guests or those requiring a dedicated home office. Bedrooms One and Three also benefit from built-in storage solutions, helping to maximise the available floor space while providing convenient and discreet storage. The family bathroom features a W.C., wash hand basin and bath with overhead shower.

Externally, the rear garden is a feature of the property and has been beautifully maintained to create a colourful and welcoming outdoor space. A neatly manicured lawn is complemented by an array of vibrant flowering shrubs and planting, creating an appealing setting for relaxing, outdoor dining or entertaining during the warmer months.

The solar panels are owned outright. The roof was also replaced as part of the recent external refurbishment, which included new wall cladding and re-rendering.
