PROPERTY DESCRIPTION

A beautifully presented detached modern bungalow that has been thoughtfully updated and extended by the current owners. Since moving in, the property has undergone refurbishment throughout, including the creation of a lovely kitchen/dining room extension featuring integrated appliances and a skylight that fills the space with natural light, creating a bright and airy heart to the home.

Further improvements include double glazed windows and doors, an updated bathroom, and an insulated loft space, enhancing both comfort and efficiency.

The accommodation also offers a generous lounge, two well-proportioned double bedrooms, and is beautifully decorated throughout in a tasteful, contemporary style.

Outside, the rear garden has been attractively tiered and landscaped to provide distinct areas for outdoor dining, vegetable planting, and lawn, offering both practicality and enjoyment. To the front, there is driveway parking and a garage.

An internal viewing is highly recommended to fully appreciate the quality and setting of this lovely home.

LOCATION

Amal An Avon is located on a popular development just a short walk from the town centre. This makes it an ideal location for those seeking easy access to everyday amenities without the need to drive. Local shops, cafés, the post office, and healthcare services are all close by, while larger supermarkets are also within easy reach.

The town is framed by the Hayle Estuary and RSPB nature reserve, perfect for peaceful walks or birdwatching, and only a short distance away are the sandy beaches of Hayle Towans, Gwithian, and Godrevy, offering scenic walks along the coast.

For convenience further afield, Hayle railway station is nearby with regular services along the Cornish Main Line, while the A30 provides quick road access across Cornwall. This combination of a peaceful setting and easy proximity to the town makes Amal An Avon particularly appealing for those looking for relaxed, low-maintenance living with everything they need close at hand.

THE ACCOMMODATION COMPRISES:-

(All dimensions are approximate and measured by LIDAR)

UPVC double glazed front door with double glazed side panels to....
