A stunning property which belies its modest frontage. Having been lovingly updated and enhanced over time, the ground floor has a modern open plan feel and boasts a beautiful breakfast kitchen which partially opens into the living room and with French doors into a conservatory. To the first floor are three bedrooms and a recently fitted and very attractive house shower room. Situated in a very convenient location for the amenities, schools and major road network the property is accessed via a cul-de-sac and viewing of this property is a must.

LOCATION

Although the front of the property faces onto Beverley Road, the B1232, the property is set well back and screened by mature trees. The main access point to the property is actually gained via Oaklands Drive where the property is situated on a quiet cul-de-sac. The location of the property equidistant between Willerby Square and the Waitrose Retail Park ensures that it is situated in an extremely convenient location, both for the amenities and for the major road network.

OUTSIDE

The property is set well back from Beverley Road with a wide verge and mature shrubs and trees which are maintained by the Local Authority. The front garden is largely lawned and again well screened by a mature perimeter. Access is gained through a gate to the entrance hall at the side of the property. A further gate beyond provides access to the rear garden.

The rear garden has been landscaped for ease of maintenance with a central artificial lawn and decked seating area which is positioned to the rear of the garden. The flower beds have been laid under cobbles and the garden has a good level of privacy. Within the garden is the garage with the back half of the garage having been converted into a bar.

The driveway is accessed via a metal gate and has an electric charging point.

GARAGE/BAR

8'6" x 8'3" (2.59m x 2.51m)
Laminate flooring and window to the rear elevation. Side courtesy door. An internal door provides access to the unconverted part of the garage and the whole area could easily be turned back should a new owner want a full garage. Within that area there is an electric roller shutter door and the area is supplied with light and power, with further mezzanine storage in the roof space above.
