The Property

The communal hallway leads to stairs and a lift to all floors, which in turn leads up to the personal front entrance door and then into the entrance hallway. A generous size L-shaped welcoming entrance hallway with storage and doors leading off to all principal rooms. The cosy and modern contemporary open plan living space is a particular feature with a restful lounge area leading into the kitchen. The kitchen is a good size with ample contrasting storage units with integrated appliances and space for the washing machine and fridge freezer. There are two light, bright and airy bedrooms with ample space for fitted or freestanding furniture and a modern white bathroom suite completes the accommodation.

Outside there is the benefit of a bike store and the development is set within well maintained communal grounds. We have been informed that there is residents' permit parking on a first come first served basis.

Close by there are local shops and excellent bus services on the doorstep directly outside the building. Branksome train station operating to London is just over half a mile away and Ashley Cross with its popular bars, bistros restaurants and station to London are a short drive away.
