The cottage immediately gives a sense of its age and history, with original beams, exposed stonework and period features appearing throughout. The current owners have carefully restored and maintained the property, creating a home that exudes heritage whilst providing comfortable modern living.

The front door opens into the main reception space, where the dining room and living room sit openly connected to one another. At the centre of these rooms is a striking dual aspect fireplace containing a wood-burning stove. Acting as a real heart to the home, this creates a wonderful, warm and welcoming

atmosphere which can be enjoyed from both living spaces. From here separate doors open from the dining room into the Kitchen and the family bathroom, whilst stairs lead up from the living room to the first floor with its two bedrooms.

Downstairs, the living room provides plenty of space for two double-seat sofas and considerable additional furniture whilst the adjoining dining area offers ample room for family meals and entertaining. Both rooms benefit from characterful heritage features such as timber lintels and exposed beams and stonework.

To the left of the property from the entrance, a modern fitted kitchen is located just off the dining room. This

kitchen was replaced in 2018 and has been thoughtfully designed to maximise both storage and practicality. Fitted with attractive white units beneath grey granite work surfaces, it incorporates a range of integrated appliances including a Quooker boiling water tap, Neff dishwasher, two Neff ovens, one of which is a slide and hide, an induction hob with extractor and a drawer-style integrated fridge. The tiled flooring offers underfloor heating and there is a kickboard fan heater, attractive lighting and a skylight. This all contribute to making this a bright and practical room.

The downstairs bathroom is striking. Refurbished in

workshop incorporating a utility area with plumbing for a washing machine.

Situation

The property enjoys a countryside setting on the outskirts of the popular East Devon village of Plymtree, approximately 0.6 miles from the village centre. Plymtree is a thriving community with a well-regarded primary school, community-run shop and post office,

2019 it is particularly spacious and well appointed. It features a freestanding claw-foot Victorian-style bath, a separate shower cubicle, a vanity unit, heated towel-rail and WC, together with further storage. Like the kitchen it benefits from underfloor heating.

Taking the wooden staircase from the living room opens onto a landing that connects the property's two double bedrooms. Both continue the rural charm of the floor below with exposed beams and original floorboards acting as character features. The principal bedroom benefits from fitted wardrobes. A large, insulated loft, complete with boarding and power, provides additional storage space.

Outside, the gardens are extensive, extending to

approximately 0.3 acres and wrapping around the cottage. They have been carefully maintained and include extensive lawns, flower beds, mature shrubs, a variety of established trees and an area set to gravel with a wisteria pergola. A pond with running water and fish creates an attractive focal point, while several paved and gravelled seating areas provide opportunities to enjoy different parts of the garden throughout the day.

At the far end of the garden is a summer house, behind which are useful composting and bonfire areas. Closer to the cottage are a log store and garden shed. Approached through an ornate iron gate, the property benefits from parking for two vehicles, leading to a substantial double garage. Adjoining this is a

public house, village hall, playground, recreation fields and tennis courts. The village is also home to a variety of clubs and organisations and hosts the annual Plymtree Country Fayre and Horse Show.

Beautiful walks through the surrounding countryside can be enjoyed directly from the property, while the nearby villages of Payhembury and Broadhembury provide further amenities and community activities.

Despite its rural setting, the property is particularly well connected. Cullompton and Junction 28 of the M5 are 4 miles away, while Honiton lies around 9 miles distant. Feniton and Honiton stations provide access to the Exeter–London Waterloo line, while Tiverton
