PROPERTY CONSULTANTS & VALUERS

Set within approximately one acre, South Lodge is defined by its contrasting landscapes, enjoying spectacular views across the Fleet Lagoon and the dramatic sweep of Chesil Beach. Just to the north lies the Valley of Stones monument within the historic South Dorset Ridgeway. Often called the "Land of Bone and Stone," this ancient, world-class archaeological landscape features an exceptional concentration of Neolithic and Bronze Age barrows, chambered tombs, and stone circles that rival Stonehenge in historical significance. This unique setting places prehistoric sarsen stones and iconic landmarks including The Hell Stone long barrow, Hardy's Monument, and the scenic 4-mile Valley of Stones Walk right on your doorstep, making it a true haven for walkers and nature enthusiasts.

The property is nestled within Fleet, a highly sought-after coastal village situated on the shores of the Fleet Lagoon, part of the UNESCO World Heritage Jurassic Coast. Renowned for its peaceful surroundings, abundant wildlife, and access to the South West Coast Path, Fleet offers an idyllic balance of rural charm and coastal living. While highly tranquil, everyday amenities remain within easy reach; the nearby village of Chickerell provides excellent local facilities, whilst the popular seaside town of Weymouth is just 5 miles away, offering supermarkets, restaurants, and a mainline railway station with direct services to London Waterloo.

South Lodge is an exceptional detached three-bedroom country home, tucked away in an area of outstanding natural beauty. Originally the historic carriage gatehouse for the nearby Moonfleet Manor estate, the property offers well-proportioned accommodation comprising two reception rooms, a kitchen, separate utility room, two bathrooms, and a separate WC. Constructed using locally salvaged stone from the old Fleet Parish Church, which was destroyed in the Great Flood of 1824, the home beautifully combines its romantic 19th-century origins with a substantial extension added in 1984.

Nestled along a private road, the grounds include a woodland area that provides a haven for native wildlife, including hares, pheasants, voles, partridges, woodpeckers, and owls. Mature trees, shrubs, and seasonal spring bulbs further enhance the setting. The property also benefits from off-road parking leading to a separate garage. Additionally, there is a substantial and impressive workshop that offers excellent potential for conversion, subject to the necessary planning consents. EPC rating: TBC.

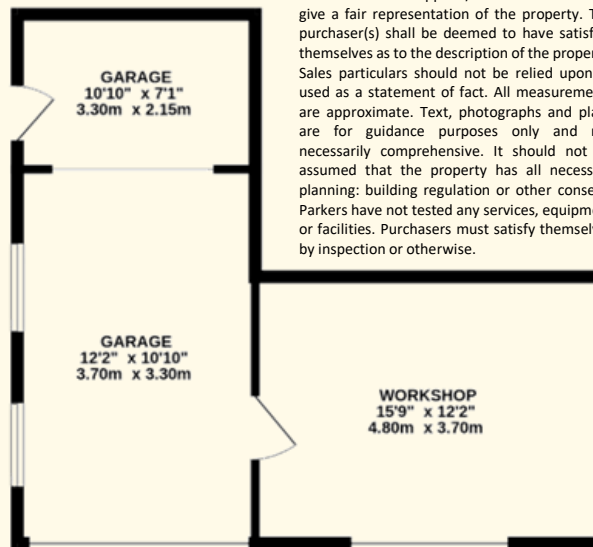

This impressive home welcomes you through an entrance porch leading into the hallway, where character and charm set the tone throughout. The dining room is anchored by beautiful flagstone flooring and flows naturally into the dual-aspect kitchen, fitted with a range of units with wooden worktops over, space for a Rangemaster cooker, an integrated Bosch dishwasher, under-counter fridge, and a stainless-steel sink with drainer. Across the hall, a practical utility room features a butler sink and discreetly houses the water softener. The magnificent, light-filled living room is an impressive space, with an exposed stone wall marking the property's original rear façade, while its triple aspect including sliding doors provide plentiful natural light and open onto the garden patio. A multi-fuel wood burner adds a cosy focal point, especially in the winter months offering an idyllic winter retreat. A separate ground-floor shower room completes the ground floor.

Ascending to the first floor, a spacious landing leads to three generous double bedrooms and the family bathroom. The principal bedroom benefits from extensive built-in wardrobes and features a private sun room offering exceptional elevated views across the grounds and fills the room with natural light. Steps lead to the second double bedroom, benefitting from fitted wardrobes and overlooks peaceful woodland, while the third retains a characterful period fireplace. It also enjoys far-reaching sea views stretching to Admiral Hardy's Monument and the distant evening lights of Lyme Regis. The bedrooms are served by a separate WC, pre-plumbed for a wash hand basin, and a family bathroom fitted with a wash hand basin with built in vanity storage and a panel enclosed, jacuzzi style bath.

Externally, the magnificent wrap-around garden extends to approximately one acre of private grounds, featuring traditional dry-stone boundary walls, a paved terrace ideal for al fresco dining served by a kitchen garden, a pond and a poly tunnel. A dedicated area of the grounds has been left as a natural wildlife copse, encouraging local biodiversity. J. Meade Faulkner's classic novel *Moonfleet* was inspired by the area's infamous smuggling heritage, adding a distinctive literary connection to this remarkable setting. To the front of the outbuilding, there is off-road parking. The garage incorporates a fully equipped workshop with power, mains water and drainage, as well as excellent loft storage.

TOTAL FLOOR AREA : 2077 sq.ft. (193.0 sq.m.) approx.
