Property Description
To the front of the property, a resin laid driveway provides ample off-road parking for multiple vehicles while also providing an appealing low maintenance design.

Stepping inside, a bright and welcoming hallway greets you, laid with carpet and naturally lit by a side-facing window. A convenient ground floor WC, complete with tiled flooring, a hand wash basin, and tiled splashback, adds practicality to the entrance space. Stairs lead to the first floor, while a door draws you into the heart of the home.

The spacious lounge offers a comfortable and inviting retreat, decorated with tasteful wall lighting, coved ceilings, and an under-stairs storage cupboard. There's ample room to accommodate a generous L-shaped sofa—perfect for relaxing or entertaining guests.

To the rear of the property, the kitchen/dining room is both stylish and functional, laid with contemporary tiled flooring and fitted with a range of base and wall-mounted cabinets. A tiled splashback complements the integrated fan oven and four-burner gas hob. There's space for a freestanding fridge-freezer and plumbing for a washing appliance, making it ideal for day-to-day living. The dining area opens through sliding doors into the conservatory, creating a natural flow of light and offering a great space for hosting family meals or summer gatherings.

The conservatory, currently laid with carpet, enjoys views over the rear garden and offers direct access outside via double doors. The south-west facing garden is designed for low maintenance and year-round enjoyment, with artificial turf, a timber-decked terrace that features an integrated hot tub, and a hardstanding space ideal for children's play equipment such as a trampoline. The garden is fully

enclosed with timber fencing, ensuring privacy and security, and includes side access into the garage.

Upstairs, the landing is well-lit by a well positioned window and benefits from both a linen cupboard and an additional storage cupboard above the stairs.

The primary bedroom is a generous double, offering space for freestanding furniture and benefitting from a handy en suite shower room with WC, basin, and a shower cubicle. The second bedroom, currently used as a children's nursery, is another good-sized double decorated in calming neutral tones. The third bedroom is currently used for storage but could serve equally well as a home office or nursery, depending on your needs.

The family bathroom is fully tiled and features a traditional white suite with a rainfall shower head and a handheld diverter above the bath.

This appealing property is ideally positioned for convenience, with a well-established supermarket just a short distance away, excellent local amenities nearby, and easy access to the beach and scenic coastal path for walking and cycling. The larger seaside town of Rhyl, with its sandy beaches and wide range of additional facilities, is just a short drive away.
