New to market is this four bedroomed semi detached home, providing very good family sized accommodation and ideally situated in a quiet cul-de-sac, offering good access to local primary and senior schools and within walking distance of the local park. Presented to a very high standard, this property was extended in the early ownership period of the current vendors and makes great practical use of the available space on offer, hence an early viewing is recommended. On entry, a very useful entrance porch with a built-in seat and a radiator opens out into a very nicely sized open plan lounge/living room/diner with an open fire. The dining area has access to the rear garden via sliding patio doors. A rear hallway serves as a useful space for appliances and gives access to a very convenient downstairs wc/utility room which is aqua boarded throughout. Thereafter, the kitchen is nicely presented in a U-shaped format and includes a very handy breakfast bar. Stairs from the lounge lead to the first floor which has a mid-house landing. The master bedroom is within the extended area and has a walk through corridor linking to an en-suite bathroom and the current vendors have been very creative in making this a dressing room area with built-in wardrobes and a dressing table. The en-suite itself is presented to a high standard with great use made of mosaic tiling to add to the finish and includes a thermostatic shower over the bath. The second bedroom is to the rear and includes built-in wardrobes with storage above. The third and fourth bedrooms are to the front of the property. To complement the bedrooms is a family bathroom which includes a thermostatic shower over the bath. Externally, to the front a gravelled driveway with parking for up to two vehicles leads to a single garage with a recently installed electric roller door, the garage also housing the recently installed gas boiler. The remainder of the front garden is fairly low maintenance with two planting areas and a slabbed pathway surround. To the rear, the fully enclosed garden can be accessed from both the kitchen and dining areas and is a real sun trap due to its southerly aspect. A good sized laid to lawn area with established and mature borders is complemented by a summerhouse with adjacent log store and a rear three level planting feature. It should be noted that in addition to the new boiler and remotely controlled electric garage door installations, all bar one of the UPVC windows were replaced in 2024. In terms of location, Illogan Park is within a short walking distance, ideal for those with children. Both primary and secondary schools are within walking distance or a short drive whilst Redruth and Camborne town centres are equidistant. In addition, the property is close to the largest area of woodland in West Cornwall, with access to Tehidy Country Park and Golf Course in under ten minutes by car. Also, within proximity, are several North Cornwall coastal towns including Portreath which is a mere eight minutes or so by car. Furthermore, other surrounding beaches and local attractions can be found nearby.
