58 St. Vincent Drive

St. Albans, AL1 5SJ

An attractive semi-detached home enjoying a wonderful position overlooking an open green. The property sits on a generous plot with potential for a side extension (subject to planning permission) and already benefits from a full-width rear extension. Offered with no onward chain.

A part-glazed front door opens into a welcoming entrance hall with stairs to the first floor, a useful understairs storage cupboard, and doors leading to the principal rooms. To the front is a comfortable lounge featuring a generous window, attractive original wood parquet floor and a gas fireplace.

A door leads through to the sociable kitchen/dining room, fitted with a range of beech-style wall and base units, along with a selection of part-integrated and freestanding appliances. A square archway opens into a bright dual-aspect family room with windows to the side and rear and sliding patio doors providing direct access to the garden.

The first-floor landing has a side window and doors leading to three well-proportioned bedrooms, each benefiting from built-in storage. The family bathroom comprises a shower over bath and wash basin, with a separate WC.

Externally, the property enjoys a pleasant frontage with a block-paved driveway providing off-street parking and leading to a detached garage, alongside a lawn bordered by hedging. To the rear, there is a patio area leading onto a level lawn, with a pathway extending to a shed at the far end of the garden.

St. Vincent Drive is a popular residential location, close to a parade of local shops and services, excellent primary and secondary schools, with easy access to St Albans city centre and the M25 motorway network.
