### Welcome Home

If you're looking for charming period home that offers brilliant entertaining space, a wealth of retained character and a quintessential village lifestyle then this fabulous Victorian semi-detached home on Cuckfield Road could be the one you've been waiting for.

This attractive bay fronted home blends period character with stylish contemporary finishes. The house has been clearly loved and improved by the current owners, resulting in interiors that feel both elegant and welcoming.

The ground floor works especially well. At the front, the sitting/dining room is a gorgeous open plan space with stripped wooden floors, a large bay window, tasteful décor and a fireplace that gives the room real warmth and personality. It is a room with plenty of flexibility, offering space to relax, dine, work from home or entertain.

To the rear, the open plan kitchen extension (2018/19) is undoubtedly the heart of the house. Beautifully bright and sociable, it has been designed with day-to-day living in mind and is a fantastic space for gathering with family and friends. The sleek modern kitchen is centred around a large island with breakfast bar seating, while skylights and wide bi-fold doors draw in natural light and blur the line between inside and out. In the warmer months, the whole space opens seamlessly on to the garden, creating an effortless flow for entertaining.

Just off the sitting room is a really handy cloakroom/utility that hides away the noisier appliances and adds some practicality.

On the first floor there are three bedrooms and a stylish family bathroom. The principal bedroom is a generous double and extends across the entire front of the home. The remaining rooms offering flexibility for children, guests or home working. The bathroom has been attractively fitted in a clean, contemporary style with bold contrast tiling and quality fittings.

### Step Outside

Stepping outside, the west facing rear garden is a real feature, enjoying afternoon and evening sunshine. A paved terrace sits directly off the house, ideal for outdoor dining and summer drinks, while the lawn provides plenty of space for children to play. At the far end of the garden, the detached studio/summerhouse adds another layer of versatility and would work equally well as a home office, hobby room, gym or garden retreat. To the front, there is private driveway parking.

Overall, this is a home with a lovely balance of period charm, practical family space and beautifully considered interiors. A real gem in Hurstpierpoint.
