

Lady Hall

£475,000

Newton Farm, Lady Hall, Millom, LA18 5HR

Tucked away within the peaceful hamlet of Lady Hall, Newton Farm is a quintessential former farmhouse that blends the romance of Lakeland tradition with the comfort and practicality required for modern family life. Approached through pretty lanes on the southern fringe of the Lake District National Park, this is a home of substance, charm and character – lovingly maintained by its current custodians and offered in excellent order throughout.

From the moment you step through the traditional hardwood front door onto the slate-flagged hallway floor, Newton Farm reveals itself as a house rich in period detail. Beamed ceilings, exposed timbers and deep-silled windows frame ever-changing views over countryside and estuary, while an oil-fired Rayburn in the farmhouse kitchen forms the heart of the home, providing both warmth and a timeless rural aesthetic.

Two principal reception rooms offer versatility: the living room with its woodburning stove set within a stone surround, perfect for fireside evenings, and the second reception room, which doubles as a study, snug or family room. Upstairs, four bedrooms, including a vaulted double with exposed beams, are served by both a traditional family bathroom and a ground-floor shower room, ensuring comfort for family and guests alike.

The kitchen/dining room epitomises farmhouse style – slate worktops from nearby Broughton Moor, a Rayburn set within a traditional recess, and generous space for informal dining. Views to both the front and rear gardens remind you constantly of the rural setting, while the adjoining utility and boot room with stable door link practicality with charm.

Newton Farm's gardens are a delight. Opposite the property, a sheltered seating area and open-fronted garden room provide a perfect spot to enjoy sunsets over the Duddon Estuary and distant Kirkby Fells. Behind the house, a series of stone terraces, patios and rock outcrops create a private haven, complete with a water feature, greenhouse, log store and mature planting.

For those with hobbies or requiring workspace, the substantial detached barn/garage offers endless potential – from workshop or studio to classic car storage. With parking for multiple vehicles across two driveways, Newton Farm caters as well to practical needs as it does to lifestyle aspirations

Location The hamlet of Lady Hall is an idyllic backdrop – quiet, picturesque, and perfectly placed. The nearby historic market town of Broughton-in-Furness offers a welcoming community with independent shops, pubs and amenities, while Millom, Ulverston and Barrow-in-Furness provide further services and rail connections. The surrounding fells, estuaries and coastlines offer endless opportunity for walking, sailing and outdoor pursuits, making Newton Farm a superb base from which to enjoy the very best of the Southern and Western Lake District.
