The entrance porch opens into a lounge diner that runs from front to back, with windows at both ends and wood-effect flooring throughout. The central timber staircase gives the sitting and dining areas some separation, while a feature fireplace draws the eye at the rear.

Just off the dining area, the galley kitchen has wood-effect units and dark worktops on both sides, with a wide window above the sink. A lobby beyond the kitchen provides outside access and leads to the ground-floor shower room, fitted with a walk-in shower, washbasin and WC.

Two similarly sized double bedrooms sit on either side of the first-floor landing, one overlooking Hollis Road and the other facing the rear. Both have neutral décor and carpeted floors. The top-floor landing opens onto the third double bedroom and provides separate access to the loft.
