DESCRIPTION

A well presented 2 bedroom semi detached bungalow on this well regarded residential street in the Molescroft area of Beverley. The property has a modern kitchen and shower room and is neutrally presented throughout. It is a little larger than many 2 bed semi detached bungalows and this allows for a larger living room providing ample space for a dining area and the kitchen is also a little larger. There are decent sized front and rear gardens as well as a detached garage. A really lovely property in a great location, offered with no forward chain and an early viewing is highly recommended.

LOCATION

The property is located off Copandale Road in the Molescroft area of Beverley. It is a sought after residential area considered to provide good access to Beverley town centre, by road and foot. There are a number of local shops on nearby Woodhall Way and Norwood which can be reached on foot via nearby Grove Park. These are extensively supplemented by all those within Beverley town centre. Beverley is a highly regarded Georgian market town and the county town of the East Riding of Yorkshire. It provides an extensive range of shops, restaurants and leisure facilities including its famous Westwood and racecourse.

Brereton Close is a sought after cul-de-sac in the Molescroft area of Beverley and the bungalows here are always sought after when available. This is partly due to the location but also because they are just that little bit bigger than those of a similar style. This example is well presented in neutral tones throughout and has a modern kitchen and shower room. The extra floor space they have is used to allow for a slightly larger kitchen and a nearly 22 ft living room which affords good dining space. The property benefits from gas-fired central heating and uPVC double glazing. The accommodation briefly comprises: an Entrance Hall, 22ft Living Room, fitted Kitchen with a range of oak Shaker-style units, a Double Bedroom with fitted wardrobes, a further smaller Double Bedroom, Shower room with modern suite and a separate WC. There are largely lawned good sized gardens to the front and rear and a long, paved driveway providing off street parking for a number of cars leads to a detached garage.

A delightful property that is offered with no forward chain and an early viewing is essential to avoid disappointment.
