£130,000 - Leasehold

A wonderful opportunity has arisen for purchasers aged 60 and over to acquire this well-presented, one double bedroom warden-assisted retirement apartment, forming part of the popular Oakland Court development.

Ideally positioned within easy walking distance of Shoreham town centre, the railway station, bus stops and a wide range of local amenities, the property combines comfortable, independent living with the reassurance and convenience offered by a purpose-built retirement development. The apartment is also offered for sale with the benefit of no onward chain.

Accessed via a passenger lift to the first floor, this home offers bright and well-proportioned accommodation throughout. A particular feature is the lovely 17'5" bay-fronted lounge/diner, which enjoys an attractive outlook across the well-maintained communal gardens which provides a welcoming, quiet space in which to relax.

An archway from the lounge leads through to the fitted kitchen, which benefits from dual aspect windows – an unusual and particularly welcome feature for a property of this nature, providing additional natural light and ventilation.

The generous double bedroom continues to impress, featuring a range of matching fitted cupboards providing excellent storage, together with a window overlooking the quiet communal gardens. Completing the accommodation is a modern fitted shower room.

For additional peace of mind, emergency pull cords are provided, offering residents a welcome feeling of security and reassurance.

Oakland Court itself provides an excellent range of communal facilities for residents to enjoy, including a large communal living room, laundry room and guest suite. Outside, there is first come, first served residents' parking together with covered mobility scooter parking and charging facilities.

The development is surrounded by well-maintained lawned communal gardens, while to the rear is a particularly attractive quiet and more extensive lawned area complemented by a large southerly-facing patio – an ideal spot for residents to sit outside and enjoy the warmer months.
