A charming four bedroom traditional brick and pantile village cottage, set within approximately 0.3 acres of mature, secluded gardens in the heart of Weston. Enjoying a wonderful degree of privacy and complemented by an outdoor heated swimming pool together with an impressive range of substantial brick-built outbuildings including two stables and a large garage workshop, The Laurels offers an increasingly rare blend of character, space and versatility within a sought-after rural setting

The property provides spacious and well-balanced accommodation arranged over two floors, retaining the proportions and warmth typical of a period cottage while offering the flexibility required for modern family life.

A welcoming entrance hall gives access to the principal reception rooms. The lounge is a comfortable and well-proportioned space, ideal for everyday living. A separate dining room provides a more formal entertaining space, perfect for family gatherings and social occasions.

The kitchen diner forms the heart of the home, fitted with a range of units and offering space for a dining table, making it particularly suited to day-to-day living. A separate utility room adds further practicality, providing additional storage and appliance space. A practical ground floor shower room ideal for families completes the accommodation at this level.

To the first floor there are four bedrooms, offering adaptable space for family members, guests or home working. The family bathroom is fitted with a suite comprising bath, wash hand basin and WC.

Externally, the setting is a genuine feature of the property. The established gardens extend to approximately 0.3 acres and are mature and secluded, with trees, hedging and well-stocked borders creating privacy and seasonal interest. The outdoor heated swimming pool provides a superb focal point for summer entertaining and relaxed family enjoyment.

A substantial range of brick-built outbuildings enhances the appeal further, including two stables and a generous

garage workshop. These buildings offer outstanding potential for a variety of uses, whether for hobbyists, storage, workshop space or equestrian interests, subject to any necessary consents.

The Laurels represents a rare opportunity to acquire a characterful four bedroom village home with generous gardens, leisure facilities and extensive outbuildings, all within an attractive Nottinghamshire setting.

Weston is a small and attractive village set amidst open Nottinghamshire countryside, offering a peaceful rural environment whilst remaining conveniently positioned for both Newark-on-Trent and Tuxford. The village has a strong sense of community and is characterised by a mix of period cottages, individual homes and surrounding farmland, together with the parish church at its centre. Additionally the village has the Hall Farm Caf  and Country store, which also acts as a community hub, hosting a range of activities.

Everyday amenities are available in nearby Sutton-on-Trent, which offers a Co-op convenience store, public houses, hairdressers, The Butchers Brew coffee shop and a well-regarded primary school rated good by Ofsted. Further facilities can be found in Tuxford, whilst Newark-on-Trent provides a comprehensive range of supermarkets including Waitrose, Morrisons, Asda and Aldi, together with independent retailers, caf s, restaurants, leisure facilities and professional services.

The area is well served for schooling. Sutton-on-Trent Primary School is within easy reach, with additional primary options in surrounding villages. Secondary education is available at Tuxford Academy, a popular and well-regarded choice, as well as Newark Academy and The Magnus Church of England Academy in Newark.

For commuters, Weston is well placed for access to the A1, providing straightforward links north and south. Newark North Gate offers direct East Coast Main Line services to London King's Cross in approximately 75 minutes, making the village particularly attractive for those combining countryside living with city access.

The property is constructed of brick elevations under and a tiled roof. The central heating is oil fired and the windows have replacement UPVC double glazed units.

## GROUND FLOOR

### ENTRANCE HALL

6'11 x 3'6  
(plus 4'11 x 3'9)

UPVC double glazed front entrance door, Quarry tiled floor, double panelled radiator, staircase to first floor
