THE DWELLING

Built in 2021 by the reputable local developer Ashford Homes as part of an exclusive development of just 11 homes, this detached three-bedroom bungalow offers stylish, contemporary living throughout.

The property features three well-proportioned bedrooms, with the master bedroom benefiting from a modern en-suite. The current owners have significantly upgraded the home to a high standard, enhancing both efficiency and comfort.

Sustainability is a key feature, with air source heating, solar panels, and battery storage providing a highly energy-efficient setup. The home also benefits from underfloor heating throughout, with individual climate control zones in each room, ensuring year-round comfort.

Externally, the gardens have been thoughtfully landscaped and split into two distinct areas: a productive kitchen garden and a lawned and patio garden, ideal for relaxing or entertaining.

ACCOMMODATION

A spacious entrance hall welcomes you into the home, with the principal living areas and a cloakroom located to the front, while the bedrooms are thoughtfully positioned towards the rear for added privacy.

The contemporary kitchen/dining room is designed to meet all culinary needs, featuring sleek modern cabinetry, integrated appliances, and ample space for a dining table. A utility room adjacent to the kitchen provides additional cabinetry, space for white goods, access to the rear garden and internal entry to the garage.

Positioned directly opposite the kitchen, the generously sized living room features French doors opening onto the garden and a stylish log burner set into the corner, creating a warm and inviting space.

The master bedroom benefits from built-in cabinetry and a modern en-suite shower room. The third bedroom, currently used as a study/dressing room, also includes fitted wardrobes, offering excellent versatility.

A well-appointed family bathroom is conveniently located between the second and third bedrooms. In addition, a linen cupboard is situated nearby for added practicality.

GARDEN

The beautifully landscaped gardens, thoughtfully designed by the current owners, offer a wonderful mix of relaxation and functionality. The main garden, enjoying a desirable south-westerly aspect, features a generous patio area directly adjacent to the property.

The garden is predominantly laid to lawn, framed by well-established and colourful flower beds, with a central planting area adding structure and visual interest. A decked pathway wraps around the side of the property, leading to a further seating area beside a practical garden shed.

On the opposite side of the home lies the kitchen garden, complete with a series of raised beds and gravelled paths in between.

The single garage not only provides secure parking and storage, but also houses the solar panel battery system, supporting the properties impressive energy efficiency credentials.

MATERIAL INFORMATION

Mains electric, drainage and water.

Air source central heating.

Broadband - Ultrafast broadband is available.

Mobile phone coverage is likely at the property, for further information please refer to www.ofcom.org.uk

Somerset Council

Council Tax Band: E

The solar panels are owned outright to the property.

The vendors inform us that the property may be subject to a maintenance charge for the access road leading from the A359. However, they have not been advised of any such payment during their period of ownership.

SITUATION

The property is located on a small development, nestled in the picturesque Vale of Camelot. It offers stunning country views and is close to a variety of walking trails. Sprakford offers a public house, an active parish hall and a garage. The area is served by several educational institutions, including Hazelgrove Preparatory School within Sparkford and Countess Gytha Primary School and Pre-School in the nearby village of Queen Camel. The village is conveniently situated near the A303, providing easy access to major roads. Mainline railway stations are also within reach at Sherborne (offering routes from Waterloo to Exeter) and Castle Cary (with connections to Weymouth, Salisbury, Bath, Bristol, and London Paddington).
